R. E. Edmundson Tells Lions of Arrangements For School Addition

Antioch Township High school's new addition will give opportunity for expansion in vocational education, Principal R. E. Edmundson told members of the Antioch Lions club at Linder's Monday evening.

The program for boys is now limited to agriculture and business, but with the addition of shop room, they can be given 9-week courses as introduction to industrial types of work.

While the high school here has a strong and efficient department of agriculture which will be maintained always to the extent that it is needed, Edmundson said that the number of boys in this area entering farming is decreasing as the metropolitan area encroaches.

The principal announced that the architect promises to have plans for the new addition ready for last night's board meeting. He described the new building and its arrangement, and said that the plans are the only matter holding up procedure to construct the building.

Attendance Record Set At Antioch High School During Last Two Weeks

Attendance records at the Antioch Township High school have been excellent, according to Principal R. E. Edmundson.

Last Friday only two students were absent, and on Thursday, only three.

Freshmen had the best record for attendance during the last week, with an average of 99 per cent, while the Juniors and seniors were tied for second. The record for six weeks was:

	Attend.	Pft.	Rec.	Tardy
Seniors	93	11	103	
Juniors	96	20	55	
Sophomores	95	27	81	
Freshman	94	36	98

Alvin W. Rice, 62, of Oaks, Crooked Lake, Dies From Heart Attack

Funeral services were held at 11 a. m. Tuesday for Alvin W. Rice, 62, of Oaks subdivision, Crooked lake, who died suddenly at 8:20 a. m. of a heart ailment at Camp Green Bay, Great Lakes, where he was employed.

The service was at the Strang funeral home with burial in Antioch. Mr. Rice was born Oct. 26, 1888 in Chicago and lived there until he moved to Lake Villa 30 years ago.

He served as a storekeeper at Great Lakes Naval Training center. A veteran of World War I, Mr. Rice was a member of the Waukegan post, Veterans of Foreign Wars. Surviving are the wife, Mabel, a son, Harold Masters; two brothers, Howard and Charles; and a sister, Miss Laura Rice.

Evening Classes to Start At Waukegan H.S. Jan. 29

The Waukegan Township High school will begin its second semester Adult Evening school Jan. 29, George W. Osburn, director announced. Many Antioch residents have taken advantage of the night classes in the last two years.

New courses started this year are Aviation for Civilian defense, Hobbies and Crafts, From Friendship to Marriage, Workshop and Clinic in Human Relations for Supervisors and Conversational French.

A wide range of studies is included. Industrial, commercial, art, homemaking, physical education, language and music all are the range of subjects.

ICC Denies Phone Increase
The Illinois Commerce commission Tuesday denied the petition of the Illinois Bell Telephone Co., for a 9 per cent increase in telephone fees starting Feb. 13. This will open the way for further hearings on the petition. The telephone company says increased costs of labor and material necessitates greater income.

Lakeside Rebekah Lodge will hold a public card party Wednesday evening, January 31 at the I. O. O. F. Hall.

Missing Hardware Delays Use of School Addition

Because two boxes of hardware necessary for the hanging of doors for wardrobes are missing, the grade school may not get into its new addition next week as planned, Richard Whitacre, principal said.

The materials were traced as far as Antioch, but no one here knows what became of them, the contractor said.

Most of the flooring was laid today, and the doors are the remaining piece of work left. The contractor had expected to have the work done Feb. 1, and arrangements were being made by Principal Whitacre to move the classes in.

Palatine Here Friday; Vikings Beat Antioch, But Sophs Got Revenge

Although the underclassmen set the stage Friday night by nosing out Northbrook 28 to 26, the Antioch High school varsity fell before the balanced attack of the Vikings there Friday evening 64 to 51.

Buzz Haviland's perfect evening of 24 points kept the Sequoits in the running up until the last quarter when Northbrook got hot on the basket.

Palatine, which has been battling with Northbrook for second place, will come here tomorrow evening to justify its earlier victory if it can, but Antioch says it can't.

On Saturday evening the Sequoits will go to Bensenville to further impress the Bisons they are cellar champs.

The Sophomores are expecting to continue to press for leadership in its conference standing.

Men's Club Will Meet On Lincoln's Birthday; Charles Mason Speaker

February 12 has been set as the new date of the first meeting of the Antioch Men's club.

Because of Lincoln's birthday anniversary on this date, Lincoln will be the subject of an address to be given by Charles Mason, Waukegan attorney, who is an authority on the Great Emancipator.

There will be dinner at 6:45 followed by a short business session and the address.

A nominating committee will be chosen to select officers for the first year of the organization.

Seyfarth Made Member State Bar Association

Atty. Richard B. Seyfarth of near Antioch has been elected to membership in the Illinois State Bar association it was announced today by George B. Rogers of Chicago, chairman of the Seventh district committee on admissions.

Organized in 1877, the state bar association is composed of over 7300 Illinois lawyers and judges. A principal objective of the association is to improve the administration of justice and to serve the public interest.

Seyfarth, a native of Blue Island, was admitted to the Illinois bar in 1934 following his graduation from law school.

M. Y. F. NEWS
The Antioch M. Y. F. plan to hold their regular worship service and discussion at 8 p. m. Sunday with Prayer as the topic of the evening. A taffy pull will follow the worship service.

Gifts to Rescue Squad Fund of Lions Totaled \$5,260 for Year '50

Gifts to the Lions Club Rescue Squad fund amounted to \$4,760.29 in 1950, the report of Loren D. Sexauer, chairman of the committee in charge announced in a financial report published in today's Antioch News.

To this amount the club added \$500 for a total of \$5,260.29.

All future contributions will be made payable as before but will be credited to the fund for 1951, Sexauer said.

Total monies on hand after expenses were paid this year amounted to \$8,550.83, and from this amount \$5,000 is earmarked for a building fund, leaving \$3,550.83 for an operating fund.

Some of the money has been invested in U. S. savings bonds.

The Rescue squad is looking forward to the day when it can have its own building for the housing of the trucks and first aid rooms. It must have a substantial amount when the time comes for building for the club has no taxing power and must depend on contributions.

In listing the final contributors for 1950, Chairman Sexauer expressed the appreciation of the committee members for the generous response to all who made contributions during the year just closed.

Completing the list of contributors are:

Sequoit Auxiliary 4551, Veterans of Foreign Wars, Memorial to Herbert Kummerow, 2130 N. 73rd St., Elmwood Park, Ill.; Mrs. Emma R. Kapfengst, John C. Rule, C. A. Westling, Arthur C. Anderson, Pinchle club, Indian Pt., Adolph & Louisa C. Gill, Charles Cermak, Fred Stasch, Clarence Crowley, Warren G. Siver, Nicholas P. Zeien, Art Becker, Julia Wilton, Fred and Florence Rueter and Bill and Florence Johnson.

Atty. Bernard M. Decker Asks Nomination for Circuit Court Judge

Atty. Bernard M. Decker has announced that he will be a candidate for the Republican nomination for Judge of the 17th Judicial Circuit in the June 4 judicial election.

Decker, who is a well-known Waukegan attorney, will be seeking the judicial post held by Judge

BERNARD M. DECKER

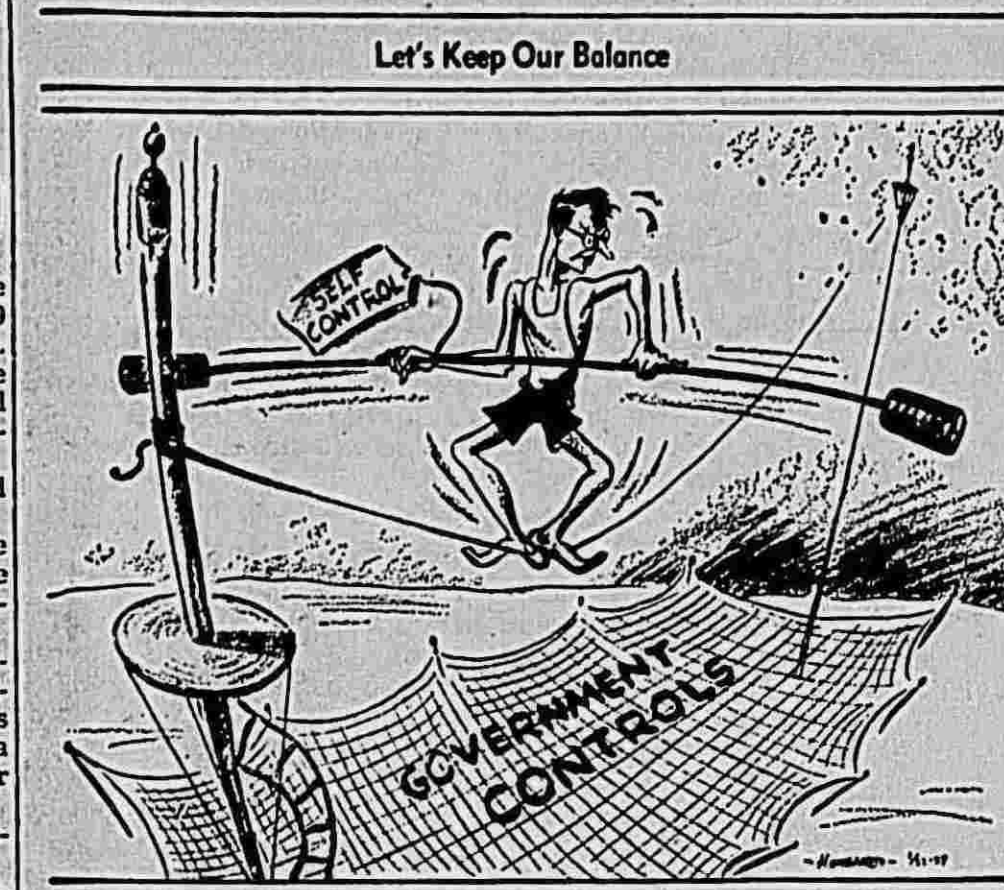

Ralph J. Dady, Judge William R. Dusher of Rockford and Judge William M. Carroll of Woodstock have announced that they will seek reelection to their judicial offices in the June balloting.

The only other candidate who has announced himself for the Lake County opening is Attorney Willis A. Overholser of Libertyville.

Decker, the son of the late Probate Judge Martin C. Decker, who retired in 1940 after 24 years on the bench, said he made his decision to seek the nomination after conferring with members of the Lake, Winnebago, Boone and McHenry bar associations and receiving encouragement in his candidacy from them.

Decker said the attorneys should be in the best position to determine the qualifications of a candidate and added, "My appeal to the delegate to the judicial convention who will select the new judge to join Judges Dusher and Carroll will be based solely on the question of qualifications."

Attorney Decker is a life-long Lake County resident. He received his law degree at Harvard University after graduating from the University of Illinois with high scholastic honors including admission to Phi Beta Kappa, National Scholastic Honorary Society.

Polio Gifts Near \$1,000 As Antioch Twp. Drive Sights Half Way Mark

Antioch Township's contributions to the March of Dimes fund neared \$1,000 today as the half-way mark in the campaign approached.

The gifts from the school totaled about \$250, advance gifts \$100, business and industry, \$400, and clubs and lodges \$200.

Loren D. Sexauer, Antioch Township chairman, issued a statement stressing the need for redoubled efforts on the part of both volunteers and the general public.

"So far" Mr. Sexauer said, "We are making fairly good progress. But we cannot afford to become complacent about a drive in which so much money is needed."

He urgently requests that if you have not already contributed, do so immediately. "Remember your dimes and dollars enlisted against Polio will help the boys and girls in Lake County, who have been or may be stricken by the disease."

Edward Gressens, executive director, and chairman of the northern half of Lake County, issued these figures and facts today.

Newport Township schools have donated about \$85.00 and were the first to make any returns. At present the Mmes. Sundstrom, of Russell, Janette Schlosser and Barbara Stahl of Wadsworth, and William Dorsey, Edwards rd., have appointed workers and soliciting house to house. A card and bunco party is scheduled for Feb. 3, which promises to be a success.

Asher Hobson to Speak Before Farm Bureau at Gurnee Saturday, Feb. 3

Asher Hobson, head of the Agricultural Economics Department, College of Agriculture, Madison, Wisconsin, will address the thirty-sixth annual meeting of the Lake County Farm Bureau to be held at Gurnee High school Saturday night, Feb. 3. The meeting will start at 8 p. m., according to Avery Vose, secretary.

Hobson is one of the foremost agricultural economists of his day and is in great demand as a speaker for farm groups. He recently addressed the Annual meetings of the Pure Milk Association and the Illinois Farm Supply Co., in Chicago. The board of directors of the Lake County Farm Bureau feel very fortunate in securing a speaker of Mr. Hobson's caliber, Vose said.

The annual meeting will again be a family affair. While the adults are attending the business session in the auditorium, the children will have a program of movies and refreshments of their own. Following the business session, there will be modern and old time square dancing. The entire family is invited to attend. Refreshments will be served.

Five directors will be elected at this year's annual meeting. Those whose terms expire are: Bert Edwards, Antioch Township; Stanley Rouse, Libertyville township; Michael Zimmer, Vernon township; E. E. Elsbury, Gurnee township; and Raymond Dietz, Avon township.

Bowman Paid \$28,611.70
Lake county dairy farmers received \$28,611.70 for milk delivered to Bowman Dairy Company receiving stations during the month of December.

Lions Sponsored Scouts Get Troop Charter, and Plan Job Service Center

Boy Scout Troop No. 92 sponsored by the Antioch Lions club received its official charter Saturday and formal presentation will take place at a date to be selected.

The meeting will be known as Parents Night and parents of all of the members will be given a special invitation to attend.

There are 28 boys in the troop with Stewart Good as their scoutmaster.

An employment service for the boys has been set up and the youngsters will take jobs after school. The service can be arranged through calling Antioch 229 from 8 to 6 p. m. and 113 from 6 to 9 p. m.

The boys will do all kinds of work such as shoveling snow, delivering and run messages, mow lawns in summer, baby sit, and many other types of work that can be handled by boys from the age of 11 to 15.

Ann Mattson Selected Antioch High Nominee For D.A.R. State Prize

Ann Mattson, daughter of Mr. and Mrs. Leonard Mattson, of Lake Villa, was chosen to represent Antioch Township High school in the state Good Citizen contest conducted by the Daughters of the American Revolution.

Miss Mattson, a senior, was selected on the basis of dependability (truthfulness, honesty, punctuality), service (cooperation, helpfulness, responsibility) leadership (personality, self control, initiative) and patriotism (unselfish loyalty to American Ideals).

Through a drawing one girl in each of the 48 states will receive a \$100 bond.

Runners up for the choice in Antioch were Mary Curnes, and Patricia Weber.

Antioch Recreation Singles Tournament Starts Saturday

The Antioch Recreation singles tournament begins Saturday and Sunday, Jan. 27 and 28 and continues Feb. 3 and 4. This annual event, the sixth to be held, is one of the most successful tournaments in the County and will attract many bowlers from out of town, as well as the local pinsters.

According to the local management, entries are coming in heavy this week, and very few choice spots are left.

This is a handicapped affair, 2/3 off of 200 average with an 80 pin spot the maximum. Entry fee of \$5.00 includes bowling.

The prize list totals \$1575.00, based on 450 entries, with first place winner hauling down \$400; second \$200; third \$150; and so on down to numerous \$10 prizes.

The first weekend two special \$25 prizes will be awarded, one for high series with handicap and one for high actual series.

Bowlers may roll as often as they want, but can collect only once. Also same contestant cannot win both special awards this first weekend.

Henry Kohler, of Nashville, Michigan, is spending the winter with Mrs. Mary Kohler and daughter, Gloria.

Defense Commission, Village Trustees Will Meet in Conference

Plans for Local Defense to Be Set Up Tonight at Village Hall

President James McMillen and Director R. E. Edmundson have called a meeting of the Civilian Defense Commission for this evening at the village hall in outlining procedures for safeguarding the community from enemy attack.

Meeting with the committee in an advisory capacity will be the village board of trustees.

Director Edmundson will convey to the board and his committee information gathered at the Chicago area meeting in Chicago recently.

The recently enacted ordinance will give the committee powers to organize the community for defense in event of air attack, and to take care of refugees from other areas that are attacked.

The committee is passing on to local citizens the following instructions given out in Chicago as safety measures:

1. Try to get shielded. If you have time, get down in a basement. Should you be caught out of doors, seek shelter along the side of a building or jump in any handy ditch or gutter.
2. Drop flat on the ground or floor. To keep from being tossed about and to lessen the chances of being struck by falling and flying objects, flatten out at the base of (Continued on page 4)

Lake Villa Couple Hurt In Car Crash on Rte. 21

John Danek, 59, and his wife, Marie, 58, Lake Villa, were treated for injuries at Condell Memorial hospital Tuesday as the result of a collision of their car with two trailer trucks on Rte. 21 south of Rte. 22.

Mr. Danek received chest and back injuries and his wife fractures of the arm, wrist and ribs.

Deputy Sheriffs said Danek's car skidded on a slippery pavement while being passed by a trailer truck operated by Neil Poppym, Milwaukee.

The car spun around against the truck and then was hit by a trailer truck driven by Perry J. Fox, Black River Falls, Wis. The car was demolished. The two trucks then sideswiped and were damaged.

Second Vet Dividend Needs No Application, Payments After Mar. 1

A second dividend on National Service Life Insurance for veterans of World War II is to be paid this year but no application will be required, the Illinois Veterans' Commission pointed out today.

The second dividend is to be staggered throughout the year with payments being made after the anniversary date of the policies. Initial payments are not expected until after March 1.

For purposes of payment the period to be included in the second dividend will be from the policy anniversary date in 1948 through the same period in 1951. Only those veterans whose insurance was in force during the three-year period will be covered by this payment.

Veterans are cautioned not to write concerning their dividend unless they wish to file a change of address. To do otherwise will only delay payment.

Service offices of the IVC throughout the state, however, can furnish information or assistance in other insurance matters such as conversion to permanent types or changes in beneficiaries.

In Lake county veterans can secure aid from the IVC office located at 228 N. Genesee street in Waukegan.

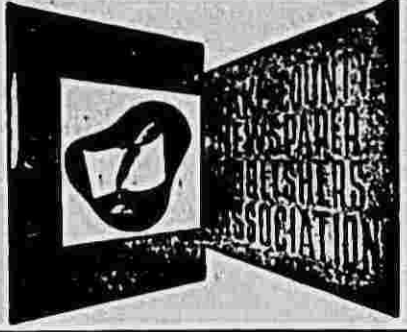

Jury Gives Verdict
A coroner's jury meeting yesterday at the Strang funeral home, returned a verdict that Mrs. Della Duckwitz, 74, died of injuries Dec. 12 received when struck by an automobile at Main and Depot St., Antioch.

Stanley W. Robis, 44, Spring Grove mechanic, is charged with being the driver of the car that caused Mrs. Duckwitz' death. He is out on \$5,000 bond pending hearing on charges of reckless homicide.

Things One Remembers

By R. M. Hofer

In these days when American history seems to be stressed less than foreign political doctrines in many quarters of our land it is a good time to take stock of men who helped make this nation great and who put principle above politics.

For a moment, think about Benjamin Franklin who was born January 17, 1706.

A brief summary of as versatile an individual is impossible. He was a fearless printer and publisher. His services to America in England and France rank him as one of the heroes of the American War for Independence and as the greatest of American diplomats. Almost the only American scientist of his day, he displayed remarkably deep as well as varied abilities in science and deserved his honors enthusiastically given him by the servants of Europe. His experiment with the kite, proving lightning an electrical phenomenon was performed in 1752. But little could Franklin realize how electricity would be developed to become the greatest force on earth.

Yes, it is high time we rededicated ourselves to recognizing great Americans and the blessings our own country offers in free speech, free press, free religion, free opportunity and the right to own property.

What Is A Stockholder?

What is a stockholder? Is he a man rich beyond the dreams of avarice who, in company with a handful of other men on the same stratospheric economic level, owns and enjoys the fruits of American corporate industry?

That idea still has credence in some quarters, but it is a piece of fiction far removed from the prosaic truth. A typical stockholder is the neighbor next

door, the druggist on the corner, the doctor who treats your child for whooping cough, and he man who fixes your car when it begins to make strange and ominous noises.

For example, take one of corporations listed on the New York Stock Exchange. It has nearly 1,000,000 stockholders. Of these, more than 250,000 people own from one to five shares—\$150 to \$750 worth at recent market prices. And not a single one of the 1,000,000 stockholders owns as much as one-half of one percent of the company's stock.

Or take an automobile manufacturing company, with 400,000 stockholders. A third of them own less than \$1,000 worth of stock.

So it goes, down the long line of listed securities on exchanges all over the country. Stockholders are, literally, millions of people—15,000,000 to be more or less exact, and the number is constantly growing. It is obvious that the great bulk of these people have average incomes—the really rich, despite the cries of the socialists and communists, are a mighty rare commodity. They are people who have put aside a part of their earnings and invested it in the concerns which provide us with goods and services of every kind—the concerns which keep America strong and powerful and vigorous.

The Lown Down From Hickory Grove

Well folks, the same little old army game is going full tilt there in old Spendville-by-the-River. If this new congress does not alert itself, get hep—roll up its sleeves—and stop the shenanigans, even more tall feathers should fly than flew there on that November 7th last autumn. Congress don't seem to savvy Socialism when its sees it in broad daylight. What you worked up about, says Henry. It is this Mr. Big Reclamation Bureau top snort who is headin' out on a world tour of Europe, Pakistan, Siam, and where have you—that is what stirs me to comment.

With all our present mess from poking our nose in other peoples' affairs, this Reclamation gent takes off on his peddling of socialist power schemes—from Siam to Jericho. It is a nice jaunt for his—all expenses paid—us stay-at-home suckers, we pick up the check for his sumptuous living. And if he shows them in Bagdad or Babylon that they must have a TVA there on the Tigris or the Euphrates, they will say, sure, send over the dinero. Mr. Reclamation Chief will hurry home—demand from Congress the cash money.

And round and round she goes—and we get dizzier and dizzier as we edge our way up to the income tax window. Congress needs new specs. Congress has been a yokel and sucker. Congress needs to hear from home. A postcard is enough. The only thing better is 2 postcards.

Yours with the low down,
JO SERRA

LAKE VILLA

The tuberculin testing teams of Lake County Tuberculosis Association will give the tuberculin test to the children of the Lake Villa, Cedar Lake, Allendale, Druce Lake and the Fox Lake schools on Jan. 30. The Christmas Seal Mobile Chest X-ray unit will be located at Allendale school on Feb. 20, to x-ray those children who react positively to the test.

The pinocle club met Tuesday last week with Mrs. Ethel Wood at her home at Allendale school for pot luck dinner followed by games of pinocle during the afternoon.

A farewell party was held at the recreation room of the fire station on Saturday night last week in honor of Ralph Nader, a veteran of World War II and who has been called to active duty in the army. Guests were present from Antioch, Grayslake, Barrington and Lake Villa. He has been building a new home for his wife whom he met and married in Germany, so she and her small daughter will live there until he returns, which we hope will be soon. He reported Tuesday morning at Fort Sheridan for duty.

A group of young men from this vicinity have recently joined the Seabees, among them are Clifford Bartlett, Millard Schneider, Jack Mahoney, John Siles, Lawrence Reidel, Jr., Lester Ring and Ronald Walker.

Mrs. Gertrude Hamlin and Mrs. Harriet Ballenger spent Monday last week in Chicago.

Mr. and Mrs. Eugene Anderson and sons, who have been living with Mrs. Anderson's parents, Mr. and Mrs. Carl Reinebach, have moved to Skokie, where they recently purchased an apartment home to be nearer to Mr. Anderson's work and are getting nicely settled. Mr. and Mrs. Reinebach visited them last week Wednesday afternoon.

Mrs. Arthur Nauta has returned home from St. Therese hospital and is recovering nicely following surgery two weeks ago.

The parsonage family welcomed their third daughter, Trudi Fay at the Condell hospital last Saturday and all are doing well, so Rev. and Mrs. Harrison are receiving congratulations. Their other daughters, Linda and Bobby Jo are with the Ben Cribb and Glenn McNeill families.

The Lake Villa Community Men's club will sponsor a free dance Saturday evening, Jan. 27, at the school gym and the Frank Laurie orchestra of Waukegan will furnish the music for the dance which starts at 8 p. m. Committee composed of B. J. Cribb, pres. of the club, Jere Hagen Past pres., Lester Hamlin, John Eden, Rev. Robert Harrison and Walter Horenberger. The dance or party is given for the residents of Lake Villa township and refreshments will be sold by Women's clubs and Boy Scouts.

Mrs. Henry Nader was able to come home from Condell hospital last week following surgery, and is recovering.

Mrs. Helen Weber has spent considerable time on business in Chi-

cago during the past month. Her mother, Mrs. Florence Kerr is with her daughter, Mrs. George Mitchell in Evanston.

The Woman's Society of Christian Service will meet Wednesday afternoon, Feb. 7, with Mrs. Gertrude Hamlin at her home.

The next Family Night supper at the church will be on Wednesday evening, Feb. 14, and it will be a Valentine party, with the church board of education to sponsor the pot luck supper at 6:30.

Cedar Lake Camp Royal Neighbors will hold open installation of officers at the grade school gym on Tuesday evening, Jan. 30. District Deputy Gladys Ames will be installing officer and Cecile Blumen-schein will be installing marshal.

Village Clerk C. W. Reinebach announces that the 1951 fishing licenses are now available at his desk in the store.

MILLBURN

Regular services at Millburn church Sunday, Jan. 28, when Rev. L. H. Messersmith's sermon topic will be "The Road to Peace."

Mr. and Mrs. Orville Hairrell, Jr., are the parents of a son, born Sunday, Jan. 21, at Condell hospital, Libertyville. The boy has been named "Jerry Lee."

The Couples club met at the church Tuesday evening with Mr. and Mrs. Arthur Riegler and Mr. and Mrs. Homer White in charge of games and refreshments. Fourteen couples were present.

Susan and Lynn Edwards of Libertyville spent Thursday with their grandparents, Mr. and Mrs. Frank Edwards.

Newcastle Immunity

Laying chickens that have recovered from an attack of Newcastle disease or that have been vaccinated against it pass along a temporary immunity to chicks hatched from their eggs. However, the immunity lasts for only a short time—ten days for some birds, up to three or four weeks for others—and after it wears off the youngsters are wide open to infection. Vaccination offers the best means of protecting them against the Newcastle virus, particularly if they are being raised in areas where outbreaks already have occurred.

Russian Newspapers

In Russia the 7100 state-owned "people's" newspapers are allowed a maximum of 350,000 tons a year, which is about the requirements of three large U. S. metropolitan newspapers.

Hungry Horse Dam Generators to Start In 1953, Reported

HUNGRY HORSE, Mont. — Work progresses on the fourth largest and third highest concrete dam in the world. It is located in a deep canyon in the foothills of the Rocky mountains in northwestern Montana.

The project is scheduled for completion in 1953 at an estimated cost of \$108,000,000. Its first hydroelectric generator is to go on the line in the fall of 1952. When completed, its four generators will add about 300,000 kilowatts to the Pacific northwest power pool.

Dr. Paul J. Ravier, director of the Bonneville project on the Columbia river, reports Montanans are benefitting from the Hungry Horse project even before it is completed.

The Montana Power company has signed an agreement with the Bonneville Power administration.

"Under the arrangement," he said, "in the summer we transmit surplus power now to Montana over the lines of the Washington Water Power Company. This enables the Montana Power Company to close down its generators and fill its reservoirs for use in the winter, when the streams are down."

"In return, the Montana Power Company supplies power the year round to all rural electrification administration units in its territory at our rates. So, the REA is getting the benefits from Hungry Horse power before the dam is finished."

"The Montana Power company also agrees to put in rate reductions in 1952 as soon as it begins to get Hungry Horse power."

Despite the integration of government and private systems in the northwest power pool, the region reportedly still boasts hardy champions of the theory that private industry should control the distribution and thus have a strong hold on the generation of power from government projects.

American Youth in Czech Prison Given New Sentence

HILLSIDE, N. J.—The family of John Hvasta, 23, an American citizen, sentenced in 1948 to three years in prison on a charge of spying by the Czechoslovakia government, has announced that youth's sentence has been increased another 10 years.

Hvasta's family said they learned of the extended sentence in a letter from Gabriella, the youth's Czech wife. No reason was given.

His release had been expected in October.

Bandit Apologizes Before Proceeding With Robbery

HOLLYWOOD — "I really must apologize," the robber said and stuffed a gag into the lady's mouth.

Sounds like fiction, but that was the account given by Virginia Van Upp, scenarist who wrote and produced "Cover Girl" and other films, of the recent robbery of her hotel suite.

Mrs. Van Upp told officers her former husband, Ralph N. Nelson, a free lance writer, answered a rap on her hotel suite door. He was confronted by a well-dressed man brandishing a revolver, who said:

"You won't be hurt. Just don't cry out. I want only your money."

The man then apologized and tied and gagged Nelson and Miss Van Upp. He took a diamond ring and \$28 in cash.

The bandit then left, promising to send someone to release them. Later the desk clerk reported a call informing him there had been a little trouble in the suite and suggesting he send a bellboy.

Barkley Admirer Comes Up With Another Famous Story

WASHINGTON — Vice-president Barkley has become widely known for his stories. Now a new one comes to light.

Lewis L. Strauss, former member of the atomic energy commission, told an audience recently he did not intend to talk too long.

And that reminded him of a story that Barkley tells on himself. It seems that Barkley was in the midst of an oration when a member of the audience told him: "If your watch has stopped, there's a calendar on the wall."

Nation's Children to Have Real Atomic Toys This Year

OAK RIDGE, Tenn. — The children of the nation will have real atomic toys this Christmas.

The atomic energy commission has announced the shipping of radio-active isotopes to a toy manufacturer.

The ray-emitting isotope is zinc 65, described by scientists as a "harmless" isotope, or element, which will keep radioactively charged for more than eight months.

The manufacturer proposes to make toys in which kiddies can watch atomic disintegration. The zinc is made radioactive in the atomic furnaces at Oak Ridge.

Uncle Sam Says

How time flies. Just a few years back you were thrilled with the "ole swimmin' hole," ready to take a plunge into its cool, flowing waters. Maybe ten years from now you'll want to take an other plunge such as buying a new home, a new car, a long vacation trip. These take money and where's it coming from. The smart people know the easy answer—U. S. Savings Bonds. En roll now for the Payroll Savings Plan where you work, or if self-employed the Bond-A-Month Plan at your bank. You then save automatically and in 1955 your Savings Bonds will produce \$4 for every \$3 invested today.

CERTIFIED COPY OF RESOLUTIONS OF THE BOARD OF DIRECTORS OF THE LAKE VILLA TRUST AND SAVINGS BANK

At a meeting of the Board of Directors of the Lake Villa Trust and Savings Bank held on January 11, 1951 the following resolutions were adopted:

WHEREAS by Section 17 of "An Act to revise the law in relation to promissory notes, bonds, due bills and other instruments in writing" approved March 17, 1874, as recently amended, it is provided in part that any bank doing business within the State of Illinois may select any one day of the week to remain closed and that any act authorized, required or permitted to be performed at or by or with respect to such bank on a day which it has selected to remain closed under the provisions of said Act may be performed on the next succeeding business day;

NOW THEREFORE, BE IT RESOLVED that pursuant to all the provisions of the aforesaid Act this Bank hereby selects and designates the 4th day of the week, commonly called Wednesday as the day of the week to remain closed, commencing with Wednesday the 7th day of March, 1951.

BE IT FURTHER RESOLVED that the Cashier of this Bank, the officer having charge of the records of this Bank, shall be and he is hereby directed to certify a copy of these resolutions, to file the same with the Recorder of Deeds of Lake County and to publish the same at least once each week for three successive weeks in a newspaper of general circulation in such county, all prior to the date of such first closing.

I, the Cashier of the Lake Villa Trust and Savings Bank, do hereby certify that the foregoing is a true copy of resolutions adopted by the Board of Directors of the said Bank at a duly constituted meeting of the said Board held on the 11th day of January, 1951 and entered upon the regular record book of said Bank.

ALL-STAR LINE-UP FOR '51!

NOW ON
DISPLAY

Standard equipment, accessories and trim illustrated are subject to change without notice.

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

Optional at extra cost—available on most models. (Not presently available in California or Massachusetts)

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by

the exuberance of its power and action.

We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass and a host of other news-making features you can't afford to miss.

So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.

Highland Park Women Aid Moose Auxiliary In Initiation of Eight

Women of the Moose, Antioch chapter, initiated eight new members last Thursday with Highland Park conducting the services.

Those received into membership were Estelle Fleider, Marie Buck, Elsie Kemp, Blanche Horton, Elaine Palm, Florence Rendall, Florence Decker and Ethel Anderson.

The next meeting will be on Thursday, Feb. 1.

The chapter served breakfast Sunday, Jan. 21 to the Legion of the Moose.

Frank Laurie's Band To Play at Lake Villa Free Dance on Saturday

Frank Laurie's five-piece orchestra will present the music at the free dancing party which The Lake Villa Community Men's Club is presenting Saturday night, Jan. 27, in the Lake Villa school gymnasium.

Everyone in the township is invited to join in the party and help make it a community event that will be long remembered, according to Ben J. Cribb, newly-elected president of the club.

Hot refreshments and food concessions will be handled by ladies' groups in the village and cold refreshments will be handled by members of the Lake Villa Boy Scout Troop 81.

President Cribb will make a special announcement of interest to all at the free dancing party, he said today.

The committee arranging the event is composed of Cribb as chairman, Lester Hamlin, Rev. Robert Harrison, John Eder, Walter Horenberger and Jere Hagen.

CHURCH SCHOOL TO MEET AT MASONIC HALL

All beginner and primary children of the Antioch Methodist church school will meet at the Masonic hall again this Sunday. It was expected that most work on the new basement floor of the church would be completed but because of possible dampness it was deemed advisable to use the Masonic hall for one more week. Leaders of the local church expressed appreciation for the use of the facilities which has enabled the church school to meet in spite of major repairs being undertaken.

Junior Choir to Sing at Sun. Ser.

The Junior choir of the Antioch Methodist church will sing at the Sunday morning service at 11 o'clock this Sunday. The group which is under the direction of Mrs. E. W. Kufalk will sing, "Whispering Hope." Mrs. Frank Royer is the accompanist. The Senior choir, under the direction of Mr. Charles B. Watson will sing, "Hear Our Prayer." All are cordially invited to this service of worship.

Official Board to Hold Meeting

The Official Board of the Antioch Methodist church will hold an important meeting this Sunday afternoon at 2:30 in the Intermediate Department of the church school.

Lake Villa Church News

The Senior choir honored Jack Mahoney, bass member with a dinner and show party Monday evening. Jack has been a most faithful member of the choir for a number of years, and will be greatly missed, when he leaves for the Seabees. Fellow members presented him with a Ronson lighter and a copy of "Strength for Service," a devotional book for servicemen.

The date for the Intermediate Fellowship's field trip to Chicago Slum churches has been set for Saturday, Feb. 3. The group will visit underprivileged areas and the institutions ministering to them, to see first hand what the church is doing for the community at large.

The Morning Worship service Sunday begins a series of monthly sermons especially for youth (ages 12-23) on the theme, "Let's Talk About It." The subject this Sunday will be "Let's Talk About Love." Junior and senior high school students will sit in a body and be "Guests for the Day." Other sermons in the series will deal with jobs, world affairs, recreation, religion, money and personality. Every teen-ager is cordially invited to attend.

The adult Sunday School class, meeting in the parsonage living room is finding a surprising amount of adventure and thrills in the current series of Bible study on the subject, "Ask the Prophets." Elijah and Elisha were discussed last Sunday and Amos will be considered this week. Meeting at 9:45 on Sunday morning for coffee, fellowship, and study, the class is an excellent activities for parents who bring children Sunday school.

SUN. IS THEOLOGICAL EDUCATION & PENCE SUNDAY AT ST. IGNATIUS'

Sexagesima Sunday, Jan. 28 will have two significant at St. Ignatius' Episcopal church. It has been designated first as Theological Education Sunday for the support of the Church's Seminaries for training young men to the priesthood. Parishioners are asked to bring a special offering for this work.

Parishioners are also requested to bring Bishop's Pence Cans and pick up new ones.

The Rev. R. E. Ehrigott, pastor of St. Ignatius' Church, will be in pre-Lenten retreat at the Convent in Racine from Jan. 29 to Feb. 1.

a few minutes then go help to fight fires. After other kinds of bursts, wait at least one hour to give lingering radiation some chance to die down.

5. Don't take chances with food or water in open containers. To prevent radioactive poisoning or disease, select your food and water with care. When there is reason to believe they are contaminated, stick to canned and bottled edibles if possible.

6. Don't start rumors. In the confusion that follows a bombing, a single rumor might touch off a panic that could cost your life.

The commission also lists five keys to household safety during an attack:

Strive for fireproof housekeeping. Don't let trash pile up and keep waste paper in covered containers. When an alert sounds, do all you can to eliminate sparks by shutting off the oil burner and covering all open flames.

Know your own home. Know which is the safest part of your cellar. Learn how to turn off your oil burner and what to do about utilities.

Have emergency equipment and supplies handy. Always have a good flashlight, a radio, first-aid equipment and a supply of canned goods in the house.

Close all windows and doors and draw the blinds. If you have time when an alert sounds, close the house up tight to keep out fire sparks and radioactive dusts, and to lessen the chances of being cut by flying glass. Keep the house closed until all danger is past.

Use the telephone only for true emergencies.

The commission also points out that atomic weapons will not destroy the earth and that their powers has very definite limits and radiation sickness is not always fatal. In small amounts, radioactivity is

seldom harmful, the commission says. Even when serious radiation sickness follows a heavy dosage, there is still a good chance for recovery.

Antioch Bowlers Defeat Zion in March of Dimes Match Game Sunday

A very generous crowd witnessed one of the most exciting bowling matches of the season Sunday at the Antioch Recreation, as the local Recreation match team defeated the Zion Bowling Lanes aggregation by a count of 2822 to 2809.

Loren Sexauer, local Pollo chairman, and Mr. and Mrs. Ed Gresens very ably handled the March of Dimes promotion from which a total of \$25.60 was collected.

Antioch acquired a 63 pin lead in the first game, but a bulging 1035 game by Zion gave them a 4 pin lead to start the final set.

The lead changed hands several times in the last game, with the decision going into the 10th frame. Bill Keulman and Ed Walters doubled and "Snapper" Gerretson struck out in the tenth frame to insure the victory.

A return match is scheduled at a later date in Zion.

Volunteer Reserve Squadron Not Subject to Recent Call

Lt. Charles N. Steele, Jr., training officer of the Volunteer Air Reserve Training Squadron has recently received a bulletin from the Tenth Air force stating that the recent publicity issued in connection with the call to active duty of reserve personnel does not include any members of the local Squadron.

The Air Force is only calling members of active reserve units, and the members of the Volunteer Reserve Squadron are not required to keep up the military proficiency, but are required to attend lectures, so that they may retain their status and accrue benefits towards retirement.

The only way Volunteer Reserve members may be assigned to active duty is by their own request, in which case they are required to fill out necessary forms. Only two air-men from the 966th Squadron have been accepted so far for active duty and other members that have submitted their applications are still waiting for a call.

Landlords Warned Against Rent Action on Initiative

Mr. J. Edwin Porter, Associate Area Rent Director of the Waukegan Branch Rent Office, today warned landlords not to take any rent action on their own initiative which would cause them to be in violation of the rent control law.

"Landlords who are facing maximum rent problems should come to the rent office and talk these problems over with us, because there are many ways by which we can afford them relief," the rent official declared. "By taking the initiative into his own hands, a landlord faces compliance action which may eventually lead him into a Federal court," Mr. Porter said.

"If any landlord has any doubt about his rights or limitations under the rent law, the best and safest way to resolve these quickly is by paying a visit to the rent office. By so doing, a landlord will not find himself in the uncomfortable position of having a compliance action filed against him," the rent official stated.

First Poultry Day Set For March 6 at Gurnee

Lake County poultry raisers and farmers interested in poultry may mark Tuesday, March 6 on their calendar.

This will be Lake County's first poultry day, according to Farm Adviser, Ray T. Nicholas.

The meeting which will be held in the new American Legion hall at Gurnee, will feature talks, exhibits and demonstrations. An exhibit of dozen lots of brown and white eggs will be made. Prizes will be awarded to exhibitors in the two classes.

A culling demonstration is also planned. Numerous dealers and merchants will make exhibits and award prizes. Dealers who wish to participate in Poultry Day may contact the Farm Adviser at Grayslake, Ill. Telephone 3-8471.

George Hawkins of Mount Hatcher, Antioch, will be interviewed on the subject "Chicken Hatchery Operation," over Waukegan radio station WKRS Wednesday, Jan. 31, between 1 and 1:30 p. m.

OUR DEMOCRACY—by Mat

THE EYES HAVE IT

FROM 1861 TO 1865, MATTHEW BRADY FOLLOWED THE ARMIES FROM BATTLEFIELD TO BATTLEFIELD, WITH HIS CUMBERSOME CAMERA—AND GAVE US A GREAT PICTORIAL HISTORY OF THAT WAR. HE WAS THE FORERUNNER OF NEWS PHOTOGRAPHERS, BUT HIS OWN PICTURES WERE HISTORY, NOT NEWS, BY THE TIME THEY WERE PUBLISHED.

TODAY'S NEWS PHOTOGRAPHERS, AIDED BY THE TREMENDOUS ADVANCES IN PHOTOGRAPHY AND THE TRANSMISSION OF PICTURES BY WIRE AND WIRELESS, GIVE US THE NEWS PICTORIALLY WHEREVER AND WHENEVER IT HAPPENS, IN PEACE OR WAR. THROUGH THEIR EFFORTS WE GAIN A SENSE OF HISTORY IN THE MAKING, AND OF PARTICIPATION IN THE EVENTS OF OUR TIMES. THESE MODERN "BRADYS" THEREBY HELP ALERT AND INFORM THE PEOPLE, TO THE ADVANTAGE OF OUR DEMOCRACY.

Allendale Boys Slip By Antioch Graders 36-34

The Allendale Tigers made a fine Antioch Grade school five their fifth victims of the current season last Wednesday evening at the High school gym.

Antioch with its superior array of basketball talent started slowly and were behind at the quarter 10 to 3, but the Allendale attack stalled and Antioch led by Mike Haviland took a 17 to 13 halftime lead.

From here on it was a fight for both teams with the lead changing hands many times and at the end of the third quarter Allendale held a 26 to 25 lead. John Kelly the Tiger captain spearheaded the Allendale drive to victory in the last quarter. Kelly led scoring for both teams garnering 14 points and Mike Haviland led the Antioch five with 10.

In the preliminary game of the evening the Allendale Juniors found the Antioch Lights easy prey to their fast break and came home with their undefeated season still intact. The 40 to 6 rout of Antioch was the sixth straight win for the Allendale Juniors. Don Cugler led the scoring for Allendale with 12 points and Edmundson of Antioch collected 6.

CHRISTIAN SCIENCE CHURCHES

The supremacy and reality of Truth as opposed to the falsity and unreality of evil, will be discussed in next Sunday's services in all Christian Science churches. The topic of the Lesson-Sermon is "TRUTH."

The Golden Text is from Psalms (108:3, 4): "I will praise thee, O Lord, among the people: . . . for thy mercy is great above the heavens: and thy truth reacheth unto the clouds."

Lesson-Sermon passages from the Bible (King James Version) include James 3:11, 12:

"Doth a fountain send forth at the same place sweet water and bitter? Can the fig tree, my brethren, bear olive berries? either a vine, figs? so can no fountain both yield salt water and fresh."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"It is sometimes said that Christian Science teaches the nothingness of sin, sickness, and death, and then teaches how this nothingness is to be saved and healed. The nothingness of nothing is plain; but we need to understand that error is nothing, and that its nothingness is not saved, but must be demonstrated in order to prove the somethingness—yes, the aliveness—of Truth" (p. 340).

Can't Make It to Florida?

Try Pennsylvania Some Weekend for Skiing, Girls

There comes a time midway between mistletoe and crocus, between wool mufflers and straw bonnets when every working girl wonders if she'll ever make it into spring.

These tired toilers can't fly to Florida for that weary winter feeling—but a big group of them—members of Sigma Alpha Sigma, national working girl's sorority—are taking over the famous Summit Hotel in the Allegheny Mts., of southwestern Pennsylvania for the weekend of Feb. 16, and they are inviting a limited number of non-members to join in this weekend jaunt.

The girls will leave Chicago Friday, Feb. 16, at 11:00 p. m. on the Baltimore & Ohio RR. and will arrive at the Summit on the following morning. Here they will have the run of the three famed ski-slopes each serviced by a modern ski tow; a magnificent toboggan slide and a skating rink actually up above the clouds. There will be hikes on the winding mountain trails to Fort Necessity and other points of historical interest and always the rosy amber glow of the huge fireplaces for fun and relaxation.

The group will leave the Summit on Sunday night arriving back in Chicago at 7:00 a. m. on Monday morning with plenty of time to beat the boss back to work.

Muriel Davis, president of the sorority, announces that the cost of the entire trip including train fare, lodge accommodations, charter buses from the depot to the hotel, six meals, tips and the use of sports equipment will be only \$38.92.

Any young women interested in making the trip with the sorority are invited to write to the sorority office at 5 N. Wabash Ave., Chicago for details.

Kenosha Radio Station To Aid Polio Drive in Request Number Program

For the benefit of the March of Dimes campaign, radio station WLIP in Kenosha will run a four-hour request program Saturday afternoon.

From 1 p. m. to sign-off, anyone who telephones a pledge for the polio campaign, may make a request. It may be for any record in WLIP's music library, or it may be for a song or poem by any of the community notables on the program.

City manager A. E. Axtell is going to be there. So is Kenosha labor editor George Poredon, and Trades and Labor Council president Paul Whiteside. Police Chief Stanley Haukedahl and Sheriff Leonard Jensen are also scheduled for the request list, along with Chamber of Commerce President Harold Bode and Secretary Charles Dilday. Henry Hyslop and Hans Guttormsen and others who agree to respond to requests—if well backed by pledges.

Not all the music will come from records, either. The Melody Men, A Barber Shop quartette, will be there. So will Virginia Petersen, who was Wisconsin's Alice in Dairyland last year. The Kenosha Federation of Musicians, Local 59, is furnishing a 7-piece band.

A staff of girls will answer four telephones and accept pledges. In addition to the regular WLIP phones 6162 and 6163, calls will also be received on 3021 and 3733.

After the pledges are phoned in, money should be mailed to March of Dimes, First National Bank, Kenosha.

It promises to be great fun, and to help the polio drive at the same time.

F. H. A. Girls to Put Up Posters on Home Safety

Members of the Antioch Chapter of the Future Home-makers of America will distribute many home safety posters next week in downtown windows.

These posters will call attention to the great hazard to safe living of accidental falls around the house. They are prepared by the Illinois Farm and Home Safety Committee and put out all over the state in an effort to reduce the deaths and injuries to farm and town families.

"The F. H. A. girls will call on businessmen, homemakers and others in Antioch to cooperate with them in getting these safety posters up where people can see them," says Miss Naomi Meiners, chapter adviser.

Falls, with a total of more than 16,000 deaths, accounted for about half of the accidental death total in homes last year, says Floyd Morris, chairman of the Safety Committee. These fatalities occur more often among old people because they are more susceptible to complications from falling which lead to death.

Say School Vote A Dud

Henry Gehring and Joseph F. Pfeffer of Wheatland say that the recent vote to select a site and build a high school in the new Central District in Kenosha county may not stick. Wheatland has appealed for detachment and there will be other reasons the vote won't stick, they said.

Polio Gifts

(Continued from page 1)
Avon Township chairman Hazel Kelly says about half the schools have made returns, special gifts are coming in and these and a recent card party have brought the total received to about \$800.00. Several other social events are planned for the next two weeks.

Lake Villa's director Warren Sheehan reports that the schools have obtained over \$60.00 and special gifts of \$45.00, which has been credited to the township. Workers have made substantial collections and are still soliciting, reporting very favorable and courteous treatment from those visited.

Grant township's director Eugene McEwen reports a total to date of over \$250.00, stating that the concerted drive would start this week. Gresens said that all funds collected are deposited with William Brooks, treasurer of the area, Lake County Chapter at the Antioch State Bank, and will upon the completion of the March of Dimes drive issue an itemized statement to the public through the press.

Preliminary figures to date for the five townships total slightly over \$2000.00.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁, B₂, Nicotin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B₁, B₂, Nicotin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good."

Porcupine Damage
Porcupines, naturalists observe, sometimes return year after year to feed on a given tree. Each annual meal is made above the earlier ones until the growing wound causes the tree to die.

1951 Pig Crop
Indications are that the 1951 pig crop will be larger than in 1950, according to U.S. department of agriculture estimates.

Natural Tunnel
The Natural tunnel, on the Southern railway, in southwest Virginia, is believed to be the only natural tunnel in the world used by a railroad. It is 100 feet high, 100 to 175 feet wide, and 1,537 feet in length.

City Women
City women in middle income groups spend more than seven times as much for clothing as women in very low income groups.

Candy Making
Use a medicine dropper for measuring liquid food coloring when making candy. It makes possible an accurate measurement of the exact number of drops desired.

Chopping Hay
If hay is eaten with little waste when fed uncut, chopping is not usually advisable. Chopping encourages stores to eat more of the coarser portions.

Board of Education Holds Meeting Wed.

The high school board of education met with the building architect Wednesday evening to discuss final plans for the building and the method of selecting contractors to bid for its construction. The plans are in the final stages of completion and will be ready to submit to builders within two weeks.

Letters were sent to thirty-six contractors in the area explaining in general the requirements and extent of the plans. Approximately twelve contractors replied favorably to the letters and expressed a desire to consult with the board of education and present their qualifications and reliability for the construction of the building.

After a thorough discussion it was decided to mail letters to additional contractors in the area who have constructed buildings which members of the board have visited. A meeting is scheduled for Wednesday evening, Jan. 31, at which time the requests of contractors will be reviewed. After the qualifications of the contractors have been reviewed a number will be selected for a personal interview. From the group personally interviewed by the board, five or six contractors will be selected to bid for the construction.

Legion Auxiliary Saves Coupons of Merchandise To Aid Downey Nursery

The American Legion auxiliary has started a program of collecting coupons having a cash redemption value as a project for the district in the maintenance of the Auxiliary nursery at Downey.

The coupons obtained from soap, evaporated milk, flour, cigarettes and other merchandise may be saved for the local auxiliary which will forward them to the district department chairman.

The nursery, beautiful and complete, is for use of veterans' children and is situated at Camp McIntyre. A nurse is in charge three days a week with volunteers augmenting her staff. The nursery is completely maintained by the American Legion auxiliary.

Mr. and Mrs. Art Meyer and children, Pam and Candy, Mr. and William Meyer, Billy and Sally, Mr. and Mrs. Don MacDonald, Donna and Dennis, Mr. and Mrs. Frank Wiczorek, Jackie, Patsy and Bobbie, Mr. and Mrs. Lester Nelson, Miss Blanche Meyer and Bob Willett, attended a birthday celebration given by their aunt, Miss Mabel Bohman, in honor of the eighty-fifth

birthday anniversary of their grandmother Schultz, in Chicago Sunday. Grandma Schultz was very happy to have all of her grand children and nine of her great grandchildren present.
